Dear Parent or Guardian:

The Douglas County School System is requiring parents or legal guardians to verify the residency status for **all students in grades three, six and nine for the start of the 2018-2019 school year**. This includes multi-family residency. Due to state and local funding cuts, class sizes have increased across the District to maximum levels. This residency verification is required due to the increased number of students attempting to register for Douglas County Schools who do not reside in our district.

It is requested that each student bring in documents to verify in the form of the following:

- Current property tax statement
- Current mortgage statement or Copy of home settlement statement
- Lease Agreement signed by landlord

*****AND*****

- Current Utility Bill (water, gas, or electric)

Failure to provide this documentation to the school by Friday, September 7, 2018 will result in the withdrawal of your student. If you registered your child as a **NEW Douglas County student for the 2018-2019 school year**, you will not need to provide the above documents. If you have questions, please contact the school office.

Thank you for your cooperation!

Sincerely,
Maria Morris
Records Clerk
