

## Welcome to Ms. Purcell's Math Class!

### Contact Information:

Ms. Roxanne Purcell

Roxanne.Purcell@douglas.k12.ga.us

770-651-5584

For extra help or information check out my website:

<http://purcellmath.weebly.com>

### Important Information for New Students:

**Come to class prepared to learn.** Bring to class: pencils, eraser, paper, calculator, homework, ear buds and a *great attitude every day!*

**Only positive math talk is allowed!** Math can be frustrating, even for people who find math easy! Did you know even Albert Einstein sometimes struggled with math? Remember to be positive and keep trying!

**We are always respectful and responsible in Ms. Purcell's math class.** Discipline and/or responsibility issues will always result in a phone call home.

#### Grading Policy:

- Homework — 5%
- Participation — 5%
- Classwork and Bell Ringers — 40%
- Summative Assessments and CDAs — 50%.

**Late work** will be accepted for reduced credit.

**Assignments turned in without a name will not be graded.** Remember, in middle school your teacher teaches over 100 students each day. She won't recognize your handwriting! :)

### Supplies

Pencils!	Lots!
Sharpener	1
Notebook Paper	Lots!
Spiral Bound Note-	One subject
Simple nonscientific calculator	Get the cheapest one!
Glue Sticks	
<b>Earbuds or headphones for computer use</b>	

### Resources
