

What is a School Parent Compact?

The School-Parent Compact is an agreement that parents, students, school staff and teachers develop together. It explains how parents, students, and teachers will work together to make sure all our students reach grade-level standards. The Turner Middle School Parent Compact:

- Is linked to the goals on the school improvement plan.
- Focuses on student learning skills.
- Describes how teachers will help students develop those skills using high-quality instruction.
- Shares strategies parents can use at home.
- Explains how teachers and parents will communicate about student progress.
- Describes opportunities for parents to volunteer, observe, and participate in the classroom.

How is the School Parent Compact Developed?

Turner Middle School parents, students, staff, and teachers contributed to the development of this Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them. Meetings are held throughout the year to review the Compact and make changes based on input received. Parents can contribute ideas at any time using our Comment Cards (housed in the Parent Resource Center or in the main office). For more information about the Compact or about submitting input, please contact Mr. Beasley at (770) 651-5500.

Building Partnerships

Turner Middle School provides many opportunities that parents can utilize to help their children succeed. The **Parent Resource Center** (PRC) offers a variety of resources such as educational games, books, workbooks and other materials. Parents may use materials in the center, or they may take advantage of the lending library to check-out resources for home use. There are also parent workshops and meetings scheduled throughout the year that include topics such as Literacy Nights, Math and Science workshops, Homework Help and Test Taking Strategies. Turner Talk and the Parent Post is a newsletter that is sent home that includes more information on family engagement activities at our school.

Communication about Student Learning

Turner Middle School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you include the following:

- Parents may access Parent Portal online at any time to view student progress

- Progress reports and report cards will be issued quarterly

TEACHERS, PARENTS, STUDENTS TOGETHER FOR SUCCESS

IN OUR SIXTH GRADE CLASSROOM

The sixth grade teachers will work with students and their families to support student success in all core subjects by implementing the AVID Strategies. Together we will work to maximize learning through careful monitoring of a safe learning environment. This will be accomplished by:

- Using WICOR strategies to facilitate literacy across all subjects.
- Providing parents with daily feedback through the Agenda Book and other resources.

AT HOME

Turner Middle School parents joined staff to develop ideas about how families can support students' success in all academic content areas. Some of our key at-home activities and expectations include the following. As a parent:

- I will read and write with my student daily.
- I will review the Agenda Book daily to support learning and have conversations about student goals.

TURNER MIDDLE SCHOOL STUDENTS

Turner Middle School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in reading and math. Students thought of the following ideas to make connections between learning at home and school. As a student:

- I will make up stories to tell my family using new words.
- Share resources with my family via my Agenda Book and class notebooks.
