**What is Title I?**

Turner Middle School is identified as a Title I school as part of the Every Student Succeeds (ESSA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental engagement policy.

**School Plan for Shared Student Achievement**

**Purpose**

Our school policy will support and secure an effective partnership among school staff, parents, and the community. Turner Middle School upholds the premise that if families are to work with our school as partners in the education of their children, we must provide families with the opportunities and support they need to become involved. Developing effective partnerships with families requires that all school staff (administrators, teachers and support staff) create a safe and sound educational school environment that welcomes parents and encourages them to ask questions and voice their concerns as well as to participate in decision making. Developing partnerships also requires that the school staff provides parents with the information and training they need to become involved and that the school invites parents to participate in their children's learning through a variety of activities. The development of this plan will satisfy the requirements of Title I part A of the Every Student Succeeds Act (ESSA).

**How is it developed?**

Turner Middle School Plan for Shared Student Achievement is developed jointly with the school's leadership team, parent advisory committee and community stakeholders. Turner Middle School welcomes parent as well community stakeholders' input and comments at any time regarding the plan. Each participant will meet four times a year to implement necessary changes to the policy. Turner Middle School Plan for Shared Student Achievement is posted to our website for parents and community stakeholders to view and provide feedback throughout the year.

**Who is it for?**

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Turner Middle School will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

**Where is it available?**

The plan will be distributed to students to take home on the first day of school. Along with other school notices, Turner Middle School's Parent Involvement Policy can be found on our school website. Parents can also retrieve a copy of the plan in the Parent Resource Center located in Learning Cottage 1 or in the front office.
